This clause 13.1 is also for the benefit of and intended to be enforceable by each of the Suppliers for the purposes of Subpart 1 of Part 2 of the Contract and Commercial Law Act 2017.

13.2 The parties acknowledge and agree that the goods and services supplied by CardLink to the Cardmaster and the Card User, and the Supplies acquired by the Cardmaster and the Card User using the Card are all "supplied and acquired in trade" within the meaning of the Fair Trading Act 1986 and the Consumer Guarantees Act 1993, and that the Consumer Guarantees Act 1993 and sections 9, 12A, and 13 of the Fair Trading Act 1986 will not apply to these terms and conditions and that it is fair and reasonable to exclude their application.

13.3 The parties also acknowledge and agree that any right, duty or liability that would arise under a contract of sale under Part 3 of the Contract and Commercial Law Act 2017 and the United Nations Convention on Contracts for the International Sale of Goods under Part 3, Subpart 7 of the Contract and Commercial Law Act 2017 are excluded from application to the purchase and provision of the Supplies to the fullest extent permitted by law.

13.4 CardLink shall not under any circumstances be liable to the Cardmaster for any loss of profit, loss of opportunity or indirect or consequential losses resulting from any breach by CardLink of its obligations under these terms and conditions.

13.5 To the extent permitted by law, CardLink's liability under these terms and conditions shall be limited to a sum which is equivalent to the aggregate Fees paid by the Cardmaster in the preceding 3 months.

14. PAYMENT FOR SUPPLIES

For Supplies purchased by the Card User using the Card in accordance with these

terms and conditions, CardLink shall pay the relevant Supplier the price agreed between CardLink and the Supplier for those purchases.

15. CARDLINK CHARGES

15.1 Following the conclusion of each Charge Period the Cardmaster will be issued a Statement, which will set out the Charges for that Charge Period and the total amount owing to CardLink ("Payment Amount"). The Cardmaster must pay the Payment Amount to CardLink by the due date specified in the Statement in accordance with clause 16.

15.2 CardLink reserves the right to change any Fees charged and to change or discontinue any Discounts offered or provided to the Cardmaster, without prior notice to the Cardmaster.

15.3 In respect of each Charge Period, the provision of Supplies and the provision of the Card and other services by CardLink as set out in these terms and conditions during that Charge Period shall constitute a separate contract between CardLink and the Cardmaster for that Charge Period. The agreed price for those Supplies, Cards and other services shall be the Payment Amount as set out on the Statement for that Charge Period.

16. PAYMENT BY THE CARDMASTER

16.1 The Cardmaster shall make payment to CardLink of the Payment Amount referred to in clause 15, either by authorising its bankers to pay by direct debit initiated by CardLink, or by credit card or direct credit if so authorised by CardLink.

16.2 Where the Payment Amount is not paid in full by the Cardmaster, any monies received by CardLink from the Cardmaster shall be applied in such a way as CardLink shall in its sole discretion determine.

16.3 Payment in full of the Payment Amount must be received by CardLink no later than the due date for payment as specified on the Statement. Any payment made will not be deemed to have been received by CardLink until the date on which such payment is actually credited to CardLink's account. If the due date falls on a weekend or a day other than a Business Day, payment should be received no later than the Business Day preceding the due date for payment.

16.4 If a payment is overdue or dishonoured, CardLink will charge the Cardmaster overdue and administration fees as determined by CardLink and as posted on CardLink's website from time to time, but without prejudice to the right of CardLink to charge interest on the amount owing or any other rights and remedies available to CardLink. If the Cardmaster or Card User continue to use a Card after a payment is due CardLink will deem this to be a request for a credit extension, provided that such request and any consideration thereof shall not constitute a waiver of CardLink's rights under these terms and conditions. Such requests will be considered at CardLink's discretion, taking into consideration the Cardmaster's account structure, payment history and any credit information available. Any request for a credit extension will be considered solely at CardLink's discretion and if the request is rejected, CardLink has no liability to the Cardmaster in respect of any action to cease supply. If CardLink agrees to grant the Cardmaster a credit extension the Cardmaster may be charged a credit extension fee, being a percentage of Charges, until the outstanding balance has been repaid. The Cardmaster will be liable for any outstanding amounts, as well as any losses, damages, costs and disbursements (including legal costs on a solicitor-client basis) incurred by CardLink in recovering the outstanding amount, including interest.

16.5 CardLink may at the time a Charge is incurred, agree (on request) to accept payments in respect of the Charge incurred by means of an arranged instalment plan. Subject to the terms of that plan, and CardLink's approval, that Charge may then be repaid by instalments over a period agreed with CardLink. If this is agreed, the Cardmaster must pay to CardLink a finance charge as may be determined by CardLink from time to time, calculated from the time the Charge is incurred until final payment is made to CardLink.

17. TERM AND TERMINATION

17.1 The term of this agreement shall be for a period from the date on which CardLink accepts the completed Application Form of the Cardmaster and shall continue thereafter unless terminated by 30 Business Days' notice by either CardLink or the Cardmaster, or such lesser period as determined by CardLink if a Supplier terminates its arrangement with CardLink.
